Having been in the industry for so long. We have come up with different styles for the Astar 350/355 and EC130 rear bench seat cushions.

We also offer 2" and 3" bottom cushion styles:

2" Bottom Cushions are meant for taller passengers.

3" Bottom Cushions are meant for more comfort.

Fabric, Canvas or Vinyl are all the same price.

STRAP STYLE

STRAP STYLE

1-PIECE HINGED STYLE

SB BACK POCKET FOR OPEN DOOR FLYING

Strap Style - Wraps around the bottom seat frame and also can be used to hold the back and bottom cushions together when in storage. Straps come standard with the 1-Piece Hinged Style.

1-Piece Hinged Style - The back and bottom cushions are attached together. For easy storage and making them less likely for both pieces to be separated and misplaced.

Velcro is positioned using standard OEM configuration. New Service Bulletin Back Pocket is installed on every back cushion, used with 1" strap attached onto AFT bulkhead.
